I was satisfied with the lodging.						
I was satisfied with the meals.						
The trip coordinator(s) was a valuable part of this immersion.						
I enjoyed my experience with the service sites.						
I didn't feel like I was well utilized at the service sites.						
I was satisfied with the schedule and how the trip was organized.						
The educational and/or cultural experiences were interesting and informative.						
The presentations and service sites were helpful in educating me about Appalachian issues.						
I would recommend an Appalachian Institute immersion trip to a friend.						

1. Please indicate which specific experiences were **EXCEPTIONALLY** positive or negative (housing, service sites, tours, presentations, etc.)

Exceptionally <b>POSTIVE</b>	Exceptionally <b>NEGATIVE</b>
Example: presentation by <i>US Energy Consortium</i>	Example: housing at <i>Guardian Mountain</i>

2. What was the most valuable part of the trip?

3. What could have been done to make the trip more valuable?

**PLEASE COMPLETE OTHER SIDE!**

Please check the box below that best describes **your experience with this service immersion group**.

I feel knowledgeable about issues relating to the Appalachian region.						
I understand what role energy companies play in a community.						
I know what the health care system is like in Appalachia.						
I know very little about the Appalachian region.						
I think that most poor people could get out of poverty if they really wanted to.						
I care about issues even if they don't affect me and/or my community.						
I feel a connection with the people of Appalachia.						
I am open to learning about opinions that differ from my own.						
There is not much I can do to improve a community.						
I want to promote advocacy efforts for the Appalachian region.						
I know what it takes to bring about change and/or affect the root causes of an issue.						
I want to become more involved in my own community.						

**3. In what ways can the Appalachian Institute continue to involve you in current issues within the region?**

**4. What action will you take after this trip relating to the Appalachian region or your own community?**

**5. Anything else on your mind?**
